CONTROL CENTER PROBLEM AIRE

The Board of Selectmen, Chief of Police Alfred Faria, Fire Chief Paul Bradley and Civil Defense Director Paul Kelley met to discuss a complaint brought by Mr. Bradley in connection with a control center incident in which Mr. Bradley said he was ejected verbally after the chief refused to post a notice by Bradley. All concerned agreed to air the subject in open meeting. Chairman of Selectmen R. William Blasdale said that he would like to take up the notice posting and verbal exchange as two separate subjects and this was agreed.

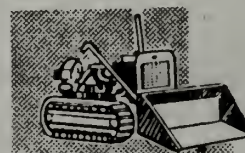

Mr. Bradley said that he went to the control center to post a notice concerning response by the fire department to calls from I-195. The Chief arrived, he said, read the notice, refused to post it and ordered Bradley to leave the station in an objectionable way according to Mr. Bradley.

Chief Faria responded that he read the notice and it was his opinion that it should not be implemented until discussed with

the Board of Selectmen so he ordered the duty man Marcosa not to post it. According to Faria, Mr. Bradley came into the station, grabbed the notice and declared "this is what I want, will you post it?" in a loud voice. Faria said that Bradley should have entered the Chief of Police's office to discuss the matter and should not do so in the control center.

Selectman William Hubbard differed with Chief Bradley as to the I-195 response procedure. He said his recollection of the 3-town agreement was that each town respond in the one direction to the other town. Mr. Bradley's notice concerned response in both directions which he said Marion and Fairhaven already do for every fire.

Selectman Donald Linhares said that in his opinion the Chief of Police should have posted the notice and then should have brought the matter before the Board of Selectmen to question it.

Chairman Blasdale said that, with 5 departments using the control center, the man

Mr. Linhares said the Chief of Police should exclude no one from the Police Department.

Mr. Hubbard said that the participants should act in a gentlemanly manner toward each other at all times. Mr. Blasdale concurred with the hope that a similar incident would not be repeated. He said that it is not in the public interest that people responsible for public safety do not get along. Paul Kelley asked that a meeting be set up to coordinate use of the control center. This suggestion was accepted with the operation of the control center as the first subject to be followed by meetings every 2 or 3 months to iron out any problems. The members of the Board of Selectmen agreed to sit in on these meetings.

GOOD PROGRESS REPORTED

Chairman R. William Blasdale reported to the Board of Selectmen that, at a meeting with Fairhaven officials at Fairhaven Town Hall on September 15th, all questions on the sewer line hook-up with Fairhaven had been dealt with to the satisfaction of both towns.

EXECUTIVE SECRETARY REAPPOINTED

Executive Secretary to the Board of Selectmen Stephen Lombard was reappointed to serve the Board for another year.

They agreed that this will be exceedingly expensive and should be brought before the town meeting for debate and consideration. In the interim the Selectmen responded to Mrs. Sylvester that payment for nurses should come from the Police Department ambulance fund.

SET 3 TOWN RESCUE MEETING

The Mystic Candidate

Editorial, D.C.J.

Millions watched the TV debate between President Ford and Jimmy Carter with the expectation of finally learning how the Carter promises are backed. We know Gerald Ford. What we don't know is what's behind the facade of the charming Georgian whom polls put well into the Presidential lead. What did we learn? The "Great Debate" was no debate. It was a series of questions that left the electorate with many more questions and very few answers. Jimmy Carter, like the old time religion, must be taken on faith.

His appeal is to the heart and not the mind.

For example; Carter would put everyone to work. He would employ the unemployed by the Federal government. Ford estimated the cost per person at \$25,000 per year. Yet, Carter, eliminating unemployment by means of the public treasury, is estimating a 60 billion dollar surplus in tax collection from the taxpayers which is to be used to initiate the new Democrat programs in health and welfare with an estimated price tag of 100 to 200 billion dollars. The question: How can the federal government come up with a 60 billion dollar surplus in taxes when employing 6 to 7% more of the country work force for which the total payroll is out of public funds? Any return from this source is from the loss side

of the ledger. How can it count as surplus income?

Jimmy Carter stated that he favors mandatory conservation. What does this mean? Does it mean gasoline rationing? Does it mean rationing of heating fuel? The latter is so sweeping a program that it would require an army to check the thermostats of the nation's north. Everyone north of Georgia should demand an answer to this Carter statement to be spelled out in detail. All Americans can be curious about gasoline rationing and its impact.

Carter is for nuclear power and yet somehow against it. He is apparently for rebuilding atomic plants to put the reactor below the surface of the ground and under a heavy vacuum. He is for using atomic energy now but for discontinuing sometime in the future. What does this mean? Does he advocate the rebuilding of all existing atomic facilities? Are utility companies expected to invest the millions of dollars in new atomic facilities only to terminate their use at some undetermined point in the future? The electric companies will need to know the answer to this question and so will all of us who pay electric bills.

Carter is for taxing all the rich who make over \$16,000 per year. He is for the heavy

taxing of corporations. What does this mean? Big business is incorporated but so are thousands of small businesses. If "corporation" is the definition of rich, what level of tax would make the rich tolerable? Hundreds of thousands of Americans, in ordinary walks of life, who have invested savings in stocks, mutual funds, various types of insurance and in their own small incorporated business will need to know. Profit is the motive for investment. Make profit the enemy in the free economy and investment is foolish. Without investment, who creates the jobs?

Hopefully, some will be asked before the election. The format of the "Great Debate" is wrong. It generates more questions than answers. A direct give and take between the candidates would be a far more valuable tool for informing a waiting public - waiting in vain for hard answers from a man of undeniable southern charm.

"MOVIES DOWN THE STREET"
RETURNS FOR AN ENCORE

Riding the crest of a successful summer movie series, the Marion Art Center is pleased to announce its "Fall Film Festival" with 10 outstanding film classics to be shown every Wednesday night at 8 P.M. at the Center. The series will begin on October 6th and run through December 15th.

Through the financial support of the summer series, the Center now has its own 16mm projector and an improved sound system. The Film Committee is aiming, through this series, to be able to purchase a super screen and wide angle lens, which will provide the community with a permanent first class environment for continuous showings through the year.

Please join us for this exciting series. For information call the Center at 748-1266 Tuesday-Sunday 1-5 P.M.

The schedule is as follows: October 6, Foreign Correspondent, mystery by Alfred Hitchcock; October 13, The Belles of St. Trinians, British comedy madness with Alastair Sim in two roles; October 20, Lost

Horizons, Frank Capra fantasy film, the original made in 1937, starring Ronald Coleman; October 27, Pal Joey with Frank Sinatra, Rita Hayworth and Kim Novak; memorable tunes by Rodgers and Hart; November 3, The Woman in Green, a Sherlock Holmes film, starring Basil Rathbone and Nigel Bruce.

Also, November 10, The Point, Harry Nilsen's enchanting, animated fantasy; November 17, Wuthering Heights starring Merle Oberon, Laurence Olivier, David Niven and Geraldine Fitzgerald; December 1, It Happened One Night (1934) with Clark Gable and Claudette Colbert; December 8, A Night with the Zanies, The Best of the Marx Brothers and two W. C. Fields shorts; December 15, The 39 Steps (1935), cloak and dagger intrigue with Robert Donat and directed by Alfred Hitchcock.

All films will be shown on Wednesday nights at 8 P.M. and films are subject to change without notice.

AQUATIC INSECTS

This Saturday morning, October 2nd, the
 Children's Museum will lead a field walk on
 aquatic insects. Many insects, such as the
 dragonfly, spend the first few years of their
 lives under water, while other insects never
 leave the water. Join the Children's
 Museum this Saturday as we search for and
 collect many of these aquatic insects.

This field walk will take place Saturday
 morning at 10:00 A.M. at the Museum Out-
 doors, 100 Old Westport Road in North Dart-
 mouth. Admission is free. All adults as
 well as children accompanied by an adult
 are welcome.

HAVE YOU SEEN A NEMATODE TODAY?

 talk to the children about Nematodes,
 one of the most abundant animals on the
 earth. The children will learn about, col-

CHARLES N. DECAS

BETTER QUALIFIED

as

OUR NEXT STATE REPRESENTATIVE

7th Plymouth District

(Carver, Marion, Mattapoisett, Wareham)

TO THE VOTERS OF MATTAPOISETT AND MARION:

On June 1st when I announced my candidacy for Representative of the 7th Plymouth District, I stated one of my concerns was the growing dominance of the Legislature by one party. My concerns are valid, and I strongly urge all of the Democratic, Republican and Independent voters to take time to carefully consider some of the actions taken by our legislators and the power that the dominance of a one-party system has given to its leadership with total disregard to the taxpayers and the citizens of our state.

Consider these legislative actions:

1. The legislators not only VOTED THEMSELVES A PAY RAISE BUT MADE THE RAISE AN AUTOMATICALLY INCREASING PAY RATE BY PEGGING IT TO A CIVIL SERVICE PAY GRADE. NOW, THE LEGISLATORS RECEIVE ANY BENEFITS THEY VOTE IN FOR STATE EMPLOYEES. Think about this!
2. At a time when the state's working people are still reeling under the Democrats' record tax increase of last year, the Legislature has slipped in a CONTINUING BACK-DOOR PROPERTY TAX INCREASE BY STEALING THE REVENUES FROM THE LOTTERY'S NEW NUMBERS GAME from the cities and towns of the Commonwealth and, more particularly, Wareham, Marion, Mattapoisett, and Carver and funneled them, instead, into the state treasury. This goes against the original intent of the Lottery revenue, which was to keep property taxes down.
3. The Legislature has created a pension fund fiasco which means the Massachusetts taxpayer will take it on the chin again. They have repeatedly failed to fund the pension fund of the teachers and state employees. Massachusetts does not set aside funds to cushion the impact on state coffers when thousands of state employees and teachers retire. Neither do we pay interest on the \$865 million already paid into the fund as of January, 1974. WE ARE THE ONLY STATE IN THE COUNTRY TO DO NEITHER, AND THE DAY OF RECKONING IS ALMOST AT HAND!

Irresponsible actions like these can no longer be tolerated, and one way to assure responsive and responsible government is to return to a two-party system of government to Massachusetts, thereby supplying the state with the necessary checks and balances.

I will keep all of the citizens of the 7th Plymouth District informed of anticipated bizarre actions such as these and will work hard against the ineffectual government created by the one-party legislature. I assure you I will be heard loud and clear, others will follow, and favorable results will happen. To this end, in order to turn the tide on these legislative nightmares which waste our taxpayers' money, I need your support.

SOMEONE HAS TO MAKE IT HAPPEN!

Very truly yours,

Charlie Decas

Grange

Something about the National Grange cook-books. The last order is sold out and we have another shipment coming. I have received many phone calls on the greatness and interesting features of the book.

Several have orders in for extra books for Christmas gifts. I am wondering which State will have the biggest record of sales.

Mrs. Jenny Grobusky, Director of Women's Activities for the National Grange in Washington, D.C., reported recently that hundreds of letters from Maine to California have been received at National Grange headquarters from purchasers of the book. "It's nice to get good reviews from bona fide book critics," says Mrs. Grobusky. It's a great Bicentennial year project and Mattapoisett Grange is sharing it.

If you wish just get your order in by phoning Mrs. LeBaron, 758-2593.

The 1976-77 school year has begun at ORR. This opening brings with it the commencement of the fall sports program at the school. The program will consist of soccer, cross-country, football, volleyball, field hockey and a new set of cheerleaders and majorettes. It should be a very successful season for the ORR teams.

Coach Ron Norman of the soccer team feels that it will be a difficult season for his Division I team, consisting of eighteen players. The team has eighteen scheduled games, all of which Coach Norman feels will be tough.

The strength lies in the front line consisting of Gus Nunes, Matt Dawson, Wayne

Caswell, captain; and Davy Andrews according to the coach. The defensemen, David Hutchings, captain; Doug Cameron, captain; Carl Andrews and Ralph Huestes, will also play an important role but the key is in the offense. Goalie Frank Pruchnik will have his work cut out for him trying to fill the shoes of the graduated Frank Dorr but Coach Normand feels Pruchnik should do a fine job. The team's pre-season record is 2 wins, 1 loss and 1 tie, and hopefully the regular season will be as successful.

The cross-country team, under Coach John Eddy, expects to have one of their most successful seasons ever. Junior Jimmy Wingate is the team captain and the team's best runner. Coach Eddy expects good running from senior Kevin Eaton, juniors Steve Magee, and sophomores Bill Cattley and Mike Fay also. David Perkins, Nat Sawyer, Steve Labbe and Matt Sabean (now troubled with a bone disease) have improved tremendously since last year and will contribute a lot to the team.

First year people Craig DeLuca, Dori Ripple, Joe Scanlon, Nelson Hiller and Chucky Wordell all look promising and will add to the team's success. Coach Eddy feels that the Division III title will be between ORR, Norton, Diman Voke, and possibly Bourne this year. The team is 2 and 0 on the season so far and expects to do as well for the remainder of the

season.

Football Coach Gerry Oliva feels that his team will take the division title this year. The coach thinks that this year's team is the best that he has seen in his eight years of coaching at ORR.

The team is led by Tom Doran, All-League players Phil Kunces and David Lamborghini on the line, and All-Leaguers Jeff Pina and Frank Oliva in the backfield. These and the other seniors on the team make up the backbone of the team and according to the coach are about the best athletic group that the school has ever seen. The quarterback spot is filled by Sophomore Jim Lanagan who the coach feels will do a good job this season. Junior Tom Lanagan is also expected to perform well this year.

The team opened the season with a win over Martha's Vineyard by a score of 42

to 14. Although it was a good win the coach feels it will take a couple of more games for the team to really show what is made of. Some difficult games predicted will be against Wareham, Dighton Rehoboth and New Bedford Voke. Besides good players Coach Oliva also praised his coaching staff of John Shockro, Tom Grondski and Bob Short. "They've all done a tremendous job with the players and deserve the recognition." So, the excellent coaching, combined with ORR's talented players, should

bring the league title to ORR when the season is over.

The fall cheerleading squad consists of the following girls: Nanette Lima who is the head of the squad; Jane Pallatoni, the assistant captain; Cindy Jenkins, Lisa MacDonald, Kathy Crowe, Jody Kemp, Heidi Perkins, Maggie Lowe, Karen Butler and substitutes Mary Gallini and Jana Roberts.

The majorettes for this year are captain Kim Jensen, assistant captain Polly Mort, Merle Welch, Sue Sanderson, Polly Botelho and Sue Harrison.

I wasn't able to contact Coach Rodrigues of the volleyball team or Coach Majzoub of the field hockey team but will have their comments on their respective teams in next week's article.

Again, it should be one of the most successful seasons ever for the fall sports teams at ORR. J.S.

Children's Art Fair

A free regional art fair for all children and
youths and their parents or guardians will
be held at Southeastern Massachusetts
University on Saturday, October 2.

The fair will take place from 9:30 A.M. to
12:30 P.M., rain or shine, in the Group I
Building and on the surrounding grounds.
Best parking is in lots 3 and 4.

"The purpose of the fair," according to
Dr. Peter London of the SMU Art Education
Department, "is that once a year the Art
Education Department of SMU and the co-
operating regional art teachers wish to
demonstrate the variety and joys of their
art teaching to the general public; to add
joy and creative expressions through the
experience of art to the community; to have
a day of art just for the sake of enriching
our lives."

Activities will include drawing, painting,
sculpture, expressive dance and movement,
puppets, murals, sand casting, sketching,
children's sing-alongs, modeling, masks,

& more. Children should wear work clothes.

You know the bad habits of rust -- a small easy-to-overlook spot can become a horrendous sight in a short time, corroding and weakening as its appetite grows. Beat rust before it has the chance to take over -- we'll be happy to give you an estimate.
